

All proceeds to benefit

***Special
Olympics
Erie City***

Hello,

We are reaching out to you in hopes of finding support for our 3rd Annual Odis 12 Golf Outing benefiting Erie City Special Olympics on Saturday, September 14th at Whispering Woods Golf Club.

You know it when you see it – that determined look, that extra mile or lap, that high-five jump, that pat on the back, that enormous smile. It's the power of sports. For people with intellectual disabilities, Special Olympics is often the only place where they have an opportunity to participate in their communities, develop belief in themselves, and feel like champions. But for every inspiring Special Olympics athlete, there are many more waiting for their chance to shine.

Our hope is that you would be willing to join us with a hole, team or specialty sponsorship or make a donation of goods or services to help us make a difference for the Erie City Special Olympics. Your general donation will stay in the City of Erie and we will also provide you with a charitable income tax deduction.

We can be reached using any of the below contact information if you are interested in team, tournament sponsorship or to make a donation. More information for the golf outing is available at odis12.com/golf.

Thank you in advance for your consideration of our request.

Sincerely,

Doug Robinson
